

## Introduction

**Anytime Go-Togethers Super Photo Fun Deck®** includes 84 photo card pairs designed to increase vocabulary skills, matching abilities, and language development. Use these photo cards to name, describe, and match the items in the photos. *“What goes with a baby? A baby bottle does!”* The white backgrounds make the photos easy to identify. Use the cards individually, or play the various game ideas in groups.

## Game Ideas

**Pen and Paper** – Give each player a piece of paper and a pen. Shuffle the cards and place facedown. Player One chooses a card and lays the card face up for all players to see. All players write down three places where they might see this item. Players take turns discussing their answers. Players earn one point for each correct answer. Player with the most points wins. For an advanced level, players only receive a point for unique answers.

# Anytime Go-Together Pairs

acorn	squirrel	king	queen
airplane	pilot	lamp	lightbulb
astronaut	rocket	laundry	washing machine
