Super Duper® *Lids 'n Lizards Vocabulary Game*

Wins 2012 Teachers' Choicesm Award

Greenville, SC – October 12, 2011 – *Learning* magazine has chosen Super Duper Publications' fun-filled *Lids 'n Lizards Vocabulary Game* as a 2012 Teachers' Choice Awards Classroom winner. <http://sdpubs.com/pim1r>

For the past 17 years, the *Learning* magazine's *Teachers' Choices Awards* have recognized the very best in classroom-tested, teacher-recommended products. Annually a nationwide panel of teachers carefully evaluates a host of educational books, classroom supplies, educational games, software, websites, and more, and determines which materials have the exceptional qualities and outstanding performance to be rated as the top products for teachers to use in the classroom and parents to have at home to help students excel.

With *Lids 'n Lizards Vocabulary Game*, children ages 4 and up attach colorful magnets containing photos of everyday objects to the underside of circular, round, metal, nesting lids. Without the children looking, the teacher or parent hides little lizards under some of the lids. Players then take turns trying to find the lizards. As they turn over the lids and uncover the photo magnets, the children can practice a variety of vocabulary, categorizing, describing, listening, and memory skills. Of course, players “*flip out!*” when they find the lizards! The child with the most lizards at the end of the game wins!

Lids 'n Lizards includes 50 full-color photo magnets (1 ½” diameter); 20 tin lids (3” diameter); 12 colorful, plastic lizards; and instructions with game ideas. To view a video of the game, go to
